Additional Camp Information;
mikedonnelly@dcsok.org alexmoorehead@dcsok.org

Strengthen your game..... And be a part of a winning tradition!!!!

Deer Creek Head Basketball Coaches Mike Donnelly and Alex Moorehead, staff and players are providing an opportunity for your players 1st-5th grade, to improve their skills this summer. Emphasis at summer clinics will be placed on the individual skill development in dribbling, passing, shooting and defense. Age appropriated skills and games will provide controlled competition throughout the day. Players will learn drills they can work on at home to improve their fundamentals. In addition, the Coaching Staff and players will address campers with motivational, goal setting, and team building decisions. While our immediate goal is to help your players strengthen their skills, our higher goal is to develop within each player a commitment to the game of basketball.

- Individual Instructions by Varsity Coaches and Staff
- Age Appropriate Drills, Games and Competition
