***“SUCCESS COMES FROM KNOWING THAT
YOU DID THE BEST TO BECOME THE BEST
THAT YOU ARE CAPABLE OF BECOMING”***

~ John Wooden

Deer Creek Head Girls Basketball Coach Alex Moorehead, staff and players are excited to announce the 2018 Junior High Girls Summer Basketball Camp Schedule. Our immediate goal for our summer basketball camp is to provide athletes an opportunity to improve ones overall skillset with an emphasis on individual skill development in the following areas: dribbling, passing, shooting and defense.

Deer Creek Junior High Summer Basketball Camp will offer age appropriate skills and games, providing controlled competition throughout the day. Players will learn and takeaway drills they can work on at home to improve their fundamentals. In addition, the Coaching Staff and players will address campers with motivational, goal setting, and team building decisions. Ultimately, as a camp staff we want to help your players strengthen their skills and develop within each player a commitment and love for the game of basketball.
